

ATLANTA SPECIAL EVENTS SUSTAINABILITY POLICY

Following consideration of the importance of environmental sustainability and a commitment to be a benefit to the Metro Atlanta community, Atlanta Special Events, Inc. is committed to strive to achieve environmental and social sustainability for our Home Office, and Corporate and Private Events planned by Atlanta Special Events.

ATLANTA SPECIAL EVENTS commits to continually improve the environmental and social sustainability performance.

Atlanta Special Events will create, implement, and produce "Green" themed events to educate the public on environmental and social sustainability. Wherever possible, Atlanta Special Events will make use of recyclable materials and will provide recycle bins at our events.

ATLANTA SPECIAL EVENTS has installed water saving devices, energy saving windows and additional insulation in its home office.

ATLANTA SPECIAL EVENTS has changed all of its production lighting used at events to energy saving LED lights.

ATLANTA SPECIAL EVENTS will comply with all relevant legislation and regulations, we strive to achieve improvement in recycling of event waste and use of energy saving lights..

We have appointed the Vice President, Frank O'Brien as the Sustainability Coordinator, who has responsibility for ensuring ongoing environmental performance, identification of environmental risks and implementing environmental and social sustainability measures.

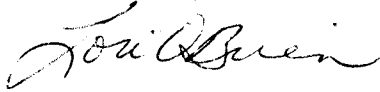

Special consideration will be given to employing and empowering the local staff and wherever efficient and environmentally sustainable, products and services will be sourced locally.

We encourage staff to present our commitment to environmental and social sustainability to our guests, suppliers, contractors, agents and wholesalers.
